Leadership AGC FAQs

LEADERSHIP AGC: Developing Tomorrow's Leaders in Houston's Commercial Construction Industry

---

WHAT IS LEADERSHIP AGC?

Leadership AGC is a premier leadership development program designed to elevate emerging professionals in Houston's commercial construction sector. Through immersive learning and real-world exposure, participants gain critical insights into the industry and the community while building lasting professional relationships.

WHO SHOULD APPLY?

Leadership AGC is ideal for:

- Mid-level professionals in the commercial construction industry
- Employees of AGC Houston member firms
- Individuals with 5+ years of experience
- Professionals demonstrating leadership potential and ambition

---

PROGRAM STRUCTURE

- Duration: 12 months (January–December)
- Sessions: 8 total (monthly, full-day or half-day)
- Format: Lectures, simulations, panel discussions, field trips, and community projects
- Led by: Industry experts, civic leaders, and subject matter specialists

---

WHAT YOU'LL GAIN

- Enhanced leadership skills: communication, collaboration, innovation, and decision-making
- Broader understanding of industry trends and community challenges
- Expanded professional and civic network
- Exposure to diverse perspectives and leadership styles

TOPICS COVERED

- Construction technology & project management
- Safety, quality, and sustainability
- Business development & marketing
- Legal, ethical, and workforce issues
- Public policy, economic development & urban planning
- Education, healthcare, arts, and social responsibility

YOUR COMMITMENT

- Attend all sessions
- Actively participate in discussions, projects, and events
- Engage with peers, mentors, and community leaders

PROGRAM COST

$2,500

Includes all course materials, meals, excursions, networking events, and group transportation.

See application for payment details.
