

ABOUT LEADERSHIP AGC

TLeadership AGC is a program that helps you develop your skills and network in the construction industry. It consists of nine sessions that cover topics such as safety, ethics, communication, and project management.

IS LEADERSHIP AGC FOR YOU?

The Leadership AGC program is designed for emerging leaders who work in the commercial construction industry in greater Houston and who meet the following admission criteria:

- You hold a management position or the equivalent and have been identified as a potential leader in your company.
- You are involved in the construction industry beyond your company.
- You are employed by an AGC Houston member firm.
- You are committed to Leadership and the AGC and will share the knowledge you gain through the program with your colleagues.
- You can meet the time commitments of this program.

HOW DOES LEADERSHIP AGC WORK?

Leadership AGC is a program that prepares the next generation of leaders for the commercial construction industry in the greater Houston area. The program runs for one year, from January 2025 to January 2026, and consists of various activities and events that expose the participants to different aspects of the industry and the region. The program covers topics such as project management, safety, ethics, communication, innovation, diversity, and community engagement. The participants will learn from experts, interact with peers, visit construction sites, participate in simulations and discussions, and work on community projects. The program aims to develop well-rounded leaders who can contribute to the growth and success of the commercial construction industry in Houston and beyond.

Past programs have included sessions pertaining to the following:

- Introduction to Leadership and AGC Houston
- Professional Development: Skills and Knowledge Development
- Community Service and Charitable Giving
- Texas Medical Center/Thermal Energy Corporation or TECO
- AGC Texas Building Branch and Legislative Issues Program
- Leadership and Teambuilding Development
- Roundtable Discussions
- Leadership Panel Discussions

COMMITMENT TO LEADERSHIP AGC

Leadership AGC is a program that requires a high level of commitment from the participants, their companies, and the group. The quality of the program depends on the active involvement of everyone. Therefore, before applying, please carefully review the time requirements for participation. Leadership AGC has strict rules for graduation, which are detailed in the Summary of Course Requirements section of the application.

Please note:

While all eligible individuals are encouraged to apply, depending on the volume of applicants for the program in any given year, no more than **two people per company** will be allowed in any one class of ***Leadership AGC***.
